

# Lawrence Road

**client:** London Borough of Haringey  
**budget:** £140,000  
**location:** West Green, London, N15  
**status:** June 2004

- The area contains a play area for under-5's, a multigames ballcourt, seating, planting and open lawn areas.
- The site previously had problems with antisocial behaviour and vandalism. Together with local interest groups the project was developed to an area where residents could feel ownership of their local area..
- The main design ideas was to visually open up the area and unify it with design elements.
- Throughout the area there is a colour scheme and natural elements as boulders, grass, low planting and trees.
